

About the Author

Dr Piyush Saxena was born in 1958 to Justice Krishna Narayan, a retired judge from High Court Allahabad and late Shanta Saxena.

He is a man of many talents - corporate professional, naturopath, wellness counsellor, cleansing therapist, past life regression therapist, activist, avid traveller, thinker, poet, painter, writer, film director, producer, actor, magician and above all, a considerate human being.

His wife, Shubha, is a teacher, and his son Prakhar has completed software engineering from USA (he also works there) and daughter, Priyanshi deals with curators, sales and acquisition of art works.

Dr Saxena did BSc (Physics) and MA (Modern History) from Allahabad University. Later, he completed his PhD in Naturopathy from USA. His professional life started with Bank of India, where he worked from 1981 to 1995 in Uttar Pradesh. Thereafter, he joined Reliance Industries Limited, where he currently works as a Senior Vice President (Corporate Affairs) at Nariman Point, Mumbai.

Over the past 18 years, he has attempted to unlock the mysteries of nature and communicated the truth about them, and has published three books.

**A campaign for adoption of orphans of India.
Dr. Piyush Saxena along with 24 orphans visited Dr. Vidyasagar, former Governor, State of Maharashtra at Rajbhavan, Mumbai.**

**When it comes to women, men draw a blank**

For ages the fairer sex has been an enigma to men and unraveling the mystery called "woman" has been a quest that many have, mostly foolhardily, attempted. Or not.

Apparently, working on the premise that the universal male urge to figure out women could lead to a universal male urge to loosen purse strings, Piyush Saxena launched *Everything Men Know About Women* — a book of pristine white sheets with not a printed word.

Mr Saxena's book, which hit select outlets in the city a week before Valentine's Day and costs Rs 295, has evoked a mixed response from Bangaloreans. Some have panned it, calling the "book" a sly businessman's attempt to make a fast buck, whereas others have embraced the publication and loved the unique concept. Many are merely amused by the cheekiness of the enterprising author. Incidentally, Mr Saxena handles corporate affairs at Reliance Industries in Mumbai. Rajan Das, General Manager of Crosswords book store, says his colleagues are closely watching customers

who may be potential purchasers so that they can be warned about the "contents or the lack of it".

The book and its review as published in the Deccan Herald, Bangalore.
